

Fornitura di Dispositivi di Protezione Individuale (DPI)

Stante la grave emergenza sanitaria in atto, come Macron abbiamo avviato il progetto “**Stop Covid-19/Macron #noicisiamo**” mettendo a disposizione la nostra filiera di produzione e distribuzione in Asia e Italia per realizzare **dispositivi di protezione individuali** quali ad esempio mascherine FFP2 e chirurgiche.

Tutti i prodotti sono rispondenti alle più stringenti normative e certificazioni, e tutto il processo di produzione è strettamente monitorato dagli ispettori dipendenti di Macron attivi sul territorio.

Ad oggi stiamo collaborando con varie Istituzioni Pubbliche, tra cui Protezione Civile-Sanità Emilia-Romagna e Campania oltre al Comando Generale dei Carabinieri.

E' tutto già pronto e in moto. Saremmo ovviamente felici di metterci anche a Vostra disposizione.

Premesso che stiamo cercando di negoziare le migliori tariffe aeree (che ad oggi sono 6 volte le normali quotazioni di mercato ca. 12,50 USD/kg), al momento i costi per i vari dispositivi sono i seguenti:

Tipologia	Prezzo senza IVA	N. pezzi in una confezione
Disposable protective face mask Type I	0,70 € *	50
Protective FFP2 mask	3,25 € *	20

*Prezzi riservati usufruendo del codice promozionale che vi è stato comunicato.

I prezzi sopra indicati sono senza iva e includono, oltre al costo del dispositivo, i dazi e tutte le attività di gestione logistica e distribuzione. Tali prezzi potrebbero variare in funzione del costo di trasporto aereo.

Potrete inserire il vostro ordine direttamente sul sito www.stop-covid.macron.com.

Tempi di consegna ca. 5 giorni lavorativi dall'accettazione dell'ordine.

Acquisto minimo 10 confezioni, acquisto massimo 500 confezioni.

Spese di trasporto 6,99 euro a spedizione.

Per ogni confezione acquistata, Macron donerà 1 € alla Protezione Civile.

Rimaniamo a disposizione per eventuali chiarimenti e in attesa di Vostro riscontro.

I nostri più cordiali saluti

macron
